

Snow Star Trip

Here is some preliminary information for this trip.

I talked to Snow Star January 12th and the facility is fully open.

Our target date for this event is Sunday, January 27th, 2:00-4:00 pm.

The cost will be \$12.00 per person to tub.

Remember that weather is a factor for this event. If for some reason the weather turns very warm the park might be closed. Last year it was VERY cold the day we went and we had a great day.

If this event is a go, those that want to drive as a group, will meet at the YMCA at 12:30 pm. We will leave as a group at that time. Obviously this is not convenient for all our families depending upon where you live.

I would like to be at Snow Star by 1:45 pm. We must then, as a group, sign in.

I will collect money ahead of time and I will pay for us as a group. I will begin collecting money the Wednesday, January 19th at the Canton Dual Meet.

I will hand out your passes at the park. This procedure went very well last year despite our large number (115) You may begin tubing as soon as you get your pass. About half way through the day I would like to take a group photo.

I will post to the website (and e-mail) each family a sign-up form. This form will include the wiew er that the park requires each family to sign. Please return these to Coach Laine by Wednesday, January 23rd with payment. Even better for Coach Burek is to give me the payment and form Saturday, January 19th at the meet as I am planning on attending the meet.

Each family will be on their own when leaving. Anyone that wants to travel as a group back to Galesburg can work that out at the park. I should take about 1 hour to get to the park.
