CLASS/ACTIVITIES DESCRIPTIONS

Enhance@Fitness	Upper and lower body weight exercises are alternated with non-impact aerobics combined with a standing circuit workout. A chair is offered for support, stretching and relaxation.
Gentle Flow Yoga	Gentle postures, breath work, meditation and deep relaxation; explore the health benefits of this healing, calming and energizing practice. Particularly beneficial if you have difficulty with standing, balance or getting onto or off of the floor.
Group Cycling	Jump on a bike and pedal your way to a great cardio workout that promotes strength and endurance.
Insanity@	A revolutionary cardio-based total body conditioning program based on the principles of MAX Interval Training. Push yourself to new training heights, resulting in more calories burned, faster results, and a more efficient metabolism.
Kickboxing	A high energy class which combines muscle conditioning with punches and kicks in a variety of drills and exercises.
Les Mills BODYCOMBAT@	Cardio workout inspired by a wide array of martial art disciplines. Strike, punch, kick and kata your way to superior cardio fitness.
Les Mills BODYFLOW@	A motivating blend of Yoga with Tai Chi and Pilates; controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings your body into a state of harmony and balance.
Les Mills BODYPUMP@	Fun, energizing barbell program that will improve general fitness, as well as shape and tone muscles.
Les Mills CX WORX@	This program is the ultimate way to develop a tight and toned core. Dynamic training that targets your abs, glutes, back, obliques and "slings" connecting the upper and lower body.
Les Mills GRIT@	Using simple compound movements, H.I.I.T. and Tabata are used with preset work and recovery intervals. This allows power training to hit top end training zones.
Les Mills RPM@	Series of simulated climbs and sprints set to the rhythm of motivating music. This creates a workout where you control the intensity. Burns plenty of calories, gets you fit!
Mindful Meditation	Explore the benefits of slowing down by attending this class. We will practice 15 minutes of gentle yoga followed by 30 minutes of guided meditation.
Pickleball	In a pickle for a new workout? Come try Pickleball; a racquet sport that combines elements of badminton, tennis and table tennis.
Pilates	Targets deep postural muscles within the body through a series of exercises aimed at building muscle, strength and rebalancing the body. Will stretch, strengthen and balance the body.
Silver Sneakers@ Classic	Move to music through a variety of exercises using handheld weights, elastic tubing with handles and a ball. Chair is used for seated and/or standing support.
Spartacus	This high-intensity circuit routine can strip away fat, define every muscle in your body, and send your fitness levels soaring.
Step & Strength	Fun, high energy class that combines step aerobics and effective strength exercises.
Yoga	Method of learning that combines posture, breathing and focus to promote strength, flexibility, stamina, balance and deep relaxation of the mind and body.
Yogalates	Combine the health and wellness benefits of yoga and pilates during this great class.
Zumba@	Fun Latin rhythms and easy to follow moves will tone, sculpt and melt away stress while leaving you feeling energized.
