## LANE SWIM

**Tips:** Please enter the pool from the shallow end. To avoid accidents when entering an occupied lane, please get the first swimmer's acknowledgement that you are there. Please get kickboards, pull buoys, etc. before entering the pool.

**Directions:** If there are one or two swimmers in a lane, they may elect to split the lane in half. The entrance of a third person immediately changes the lane to "circle" swimming format.

**Speed:** Please try to choose a lane with swimmers that most nearly match your speed.

## OPEN SWIM

Ages 10 & under must be accompanied in the pool by a competent adult. Swim test is required each visit for deep water swim.

## WATER EXERCISE CLASS DESCRIPTIONS

**Aquaerobics:** An exciting and popular exercise! Warm-up, workout (aerobic), and cool down can be done in the shallow end of the pool.

**Aqua ROM (Range of Motion):** Offered in the shallow end of the pool this class is designed for those suffering from arthritis. Exercise will help to reduce pain and stiffness as promoted by the Illinois Arthritis Foundation and Tai Chi for Arthritis.

**Deep Water H2O:** No impact deep water class with flotation belt. Super workout for all levels.

**Strength & Stretch:** Low impact class using barbells to strengthen the weak while using stretches to work out the tight in the body.

**Water Wellness:** Medium intensity workout including cardio, stretching and toning using barbells.
